Introducing Reusable Levi's Masks

The Levi's brand is selling reusable nonmedical masks at levi.com and providing a \$75,000 donation to Doctors Without Borders.

Responding to Protests by Fundraising and Pledging to Change

The visceral response to the killing of George Floyd and other victims of police brutality is driving LS&Co. and other fashion organizations to examine how they can help foster racial equality and social justice within their own companies and beyond.

Celebrating Our Oceans

We're rallying together to protect and restore our oceans, making for a better (bluer) future. This year, let's turn the tide on pollution.
